

Hunter's Flooring Product Care & Best Practices

Common Facts

- We provide and uphold a 1-year labor warranty on the installation.
- For product warranty information, you can look at your contract or contact Lowes.
- Take a look on www.lowes.com for cleaning, maintenance, and all other commonly asked questions about your installed product.
- If you have any leftover material that is unopened, you can return it to Lowes for a refund.

Carpet

- Have a range of cleaning products on hand to clean the carpet in case of spill
- Clean spills immediately to avoid stains
- Vacuum regularly to keep color bright and new
- Use a coin to remove furniture dents
- Use a squeegee to remove pet hair
- Complete a yearly deep clean with a carpet scrubber

Vinyl Plank/Laminate/Hardwood

- Use furniture pads to prevent scratches and dents
- Always lift furniture rather than sliding which can cause scuff marks or dents
- Wipe up spills as soon as they occur to prevent any damage even if a waterproof product
- Don't use a vacuum with the beater bar turned on
- Add a welcome mat in all exterior entries to prevent tracking of sand/dirt which causes scratches.

Tile

- Avoid using steel wool, scouring powders, or other abrasives
- Don't use bleach or ammonia-based cleaners
- Use furniture pads to prevent scratches
- Add a welcome mat in all exterior entries to prevent tracking of sand/dirt which causes scratches.

Sheet Vinyl

- Sliding heavy items can tear the flooring.
- Don't use a vacuum with the beater bar turned on
- Never use rolling casters
